Our mission is to help parents help their children with disabilities to live included, productive lives as members of the community. We accomplish this through the provision of information, training, and peer support. The Utah Parent Center is a private, non-profit organization that receives federal funding to be Utah's Parent Training and Information Center by the Office of Special Education Programs under grant #H328M020032. The Center also receives funding from other federal, state, and private agencies, organizations, and individual donors. The Utah Parent Center (UPC or Center) does not represent or endorse any particular point of view, program, organization, business or professional unless expressly stated and no endorsement may be inferred by the UPC or any of its funding sources. Every effort is made to provide accurate and complete information. Information provided to the UPC by other individuals, agencies, or organizations is solely the responsibility of the source and readers are encouraged to contact them with questions or concerns. Only approved items are included herein. The UPC is not responsible for information or services provided by agencies, organizations, or individuals listed.
